## COMPANY PROFILE

Originally A Smith & Associates driven by the partners Tony Smith and Leon Maddern commenced in Gisborne from February of 2004, servicing residents and businesses in the Macedon Ranges, Bacchus Marsh and beyond, we continue to grow steadily.

In September of 2016 we moved into our current purpose built premises at 45 Hamilton Street, Gisborne, this move gave us the boost in space and visibility and clearly reflects the success, dedication and professional reputation developed over many years.

A decision at this time was made to rename all existing entities and merge together under one easy accessible banner to assist our current and future clients in understanding the services we provide.

The creation of "Range Financial Group" includes the following;

- Range Partners (Formerly A Smith & Associates Pty Ltd)
- Range Financial Advisors (Formerly Smith & Maddern Financial Services)
- Range Lending Services (Formerly Custom Lending)

Range Financial Group prides itself on our honesty & integrity in providing high quality, cost effective accounting, taxation services, financial Planning and Investment, Planning Lending Services, Self Managed Super Funds, Estate Planning, Cloud Accounting Systems and Company Secretarial Services. We keep it simple, taking the confusion out of highly technical issues to provide a practical resolution.

We have a broad range of clients including Individual, Business, Investment and Superannuation clients in Victoria as well as other states of Australia.

The company operates from offices in Gisborne and by appointments only at our office in Darley, Bacchus Marsh.

We are committed to forming close partnerships with our clients, enabling us to understand your unique situation and customise the assistance we provide to suit your requirements. Our commitment to excellence is evident in our hardworking team and the exceptional service we offer.
